This list has been prepared for use by Bell in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not connote endorsement of the product by Bell. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision of this list will be issued as necessary. The listing of a product does not release the vendor from compliance with the specification requirements.
